

Please do not allow new LPFM stations to take priority over our current translator service on which we listen to K-LOVE radio. K-LOVE serves me as a resident in our local community by providing positive, encouraging music 24 hours a day to me and my family. The effect of replacing K-LOVE with other programming in our local community would be devastating. Many residents count on our K-LOVE station to uplift us throughout the day with positive music, rather than the negative immoral choices of music that several of the other stations offer us. We, and several residents of our local community, value K-LOVE radio very highly & it adds to our daily quality of life. In addition, the service provided by K-LOVE is in the public interest because it provides Biblical teaching, encouraging music, and news that the whole family can listen to. We never have to worry about what our two toddlers might hear on K-LOVE. It's safe for the whole family. Please do not displace K-LOVE by an LPFM broadcaster providing other programming. Thank you very much.
